EDUCATION

2021 - 2025 Galgotia College Of Engineering and Technology	CGPA :7.65(Till 5th Sem)
2020 Class 12th ISC BOARD	(72.6 percentage)
2018 Class 10th ICSE BOARD	(70.66 percentage)

PROFILE

Experienced front-end developer proficient in HTML, CSS, and JavaScript, with expertise in React for building responsive and efficient user interfaces. Familiar with Node.js, enabling collaboration on full-stack projects. Strong problem-solving skills rooted in Data Structures and Algorithms, complemented by Java proficiency. Adept at designing and managing MySQL databases, ensuring data integrity and performance optimization in every project.

SKILLS

Languages	JAVA(Data Structure And Algorithm) , C , PYTHON , JAVASCRIPT , RUBY
Tools and Technology	IntelliJ , Git , Github, Windows , VSCode
Framework and Library	React , Node.js , Express.js , Spring Boot
CS Fundamentals	OOPs,Database Management System,Operating System,Computer Network
Web Technologies	HTML CSS , JAVASCRIPT
Databse	MySQL , MongoDB

PROJECTS

MineSweeper Game(JAVA)   Link to Demo

Developed an engaging Minesweeper game in Java, featuring a dynamic grid where players strategically uncover cells and avoid hidden mines, using numerical clues for safe navigation.

Password Manager(Web Development)   Link to Demo

Developed a full-stack password manager with React, Node.js,and MongoDB, featuring secure authentication, encrypted password storage,responsive UI, robust backend, and seamless 3rd-party API integration.

Library Management System   Link to Demo

This SQL-based Library Management System efficiently manages books, user accounts, transactions, and overdue tracking, providing a scalable and user-friendly solution.

OTHERS

Communication, Problem Solving, Leadership, Time Management, Active Listening

EXPERIENCE

2024	Internship(Virtual) at CodSoft
2024	Internship(Virtual) at CoderCave

Achievements

2024	GirlScript Summer Of Code
2024	30 Days of Google Cloud GenAI Study Jams(May)
2023	30 Days of Google Cloud Study Jam

Courses

Udemy Java Programming Beginer to Advance   Link to Demo
